SHANKAR IAS ACADEMY

One of the best institutions in India coaching and mentoring thousands of Civil Services aspirants was founded in 2004. The academy which was nothing but a gleam in the eye of Mr. Shankar D, a postgraduate in agriculture (also a UPSC aspirant who qualified for an interview twice), has evolved over the years to the extent of successfully helping 2700+ candidates realise their dream of becoming a bureaucrat and guiding thousands of others to realise their potential.

We take pride in having successfully contributed to nation-building albeit, in a small way. 'Give a man a fish and you feed him for a day; teach a man to fish and you feed him for a lifetime.' Our highly qualified and experienced faculty, aid the candidates not just by giving their best atthe prestigious Civil Services Examination, but also by preparing them to face real-life challenges. The heights that our cherished students have scaled stand testimony to our pedagogy. We are the go-to institute for TNPSC (Tamil Nadu Public Services Commission), SSC (Staff Selection Commission), and Banking exams conducted across India. This is apart from our UPSC exam coaching.

The institute was an instant hit among the student fraternity and the results started speaking for themselves. We forayed into dedicated coaching for Indian Forest services as well in 2011 and our then branch at Adyar, Chennai steadily diversified into training for Tamil Nadu PSC, Banking and SSC by 2015.

With repeated appeals from students and aspirants from neighbouring states to establish branches there as well, in 2016, Shankar IAS Academy established its branches in Thiruvananthapuram, Bengaluru, and Delhi in 2019. Subsequently, to also reach out to students from other parts of Tamil Nadu we set up our offices in Salem, Madurai, Coimbatore, Namakkal and Thiruvarur.

OUR CORE VALUES

Reliable

Teaching not just what they want to learn, but what they need to learn. Our students describe the programs as focused, comprehensive and demanding. Our tests formatted along the lines of the UPSC exam are as tough as the UPSC exam itself. The pedagogy has been tested and refined to the extent that it has been producing reliable results year on year.

Competence

Doing ordinary things extraordinarily well. When we began, we set out to offer something different in the world of education – imparting students with the knowledge and the confidence to excel in their chosen field of becoming a bureaucrat. We have been doing it quite well over the course of more than a decade. We're a community now united by our commitment to excellence.

Responsive

Approachable and accessible, no matter who you are. Our students come from the states of Andhra Pradesh, Karnataka, Kerala, Maharashtra, Orissa, Rajasthan, Telangana and the North East. The reason they are here is because of our flexible approach in accommodating students from different regions without compromising on the quality of their education. While our campus is an experience unlike any other, our online programs help students pursue their dreams wherever they are.

Trustworthy

Trust that has taken us years to earn. Online or on campus, our students vouch for the trustworthiness of the academy. Even the Government of India has placed its trust in us by making us a preferred civil services training partner in the states of West Bengal, Meghalaya, Tamil Nadu, Karnataka, Kerala and Andhra Pradesh.

Dr. E. Balagurusamy,
Former Vice-Chancellor, Anna University & Former UPSC Board Member. Their inspiring words and experiences motivated our achievers to aim higher and continue their journey of excellence.

"Shankar IAS Academy is giving excellent training and exposure to Civil Service aspirants. They have experienced trainers, and Civil Servants themselves support the aspirants in their preparation journey, which is a key reason for their excellent results."

– Hon'ble Smt. Nirmala Sitharaman
Union Minister of Finance and Corporate Affairs

We are honoured that the Hon'ble Finance Minister pinpointed the reason for our success. She affirmed that our model—where dedicated trainers work alongside mentoring Civil Servants—is what consistently produces strong results. Her words validate that our strategy is effective

---

"Civil Service is not about power, but it is a responsibility. You should be always ready to fulfil your responsibilities in whatever situation."

– Hon'ble Dr. Justice S. Vimala

Coming from a distinguished former judge, this powerful reminder is the very essence of our training. We forge leaders who understand that power is transient, but responsibility is permanent. Her message reinforces our core mission: to build officers defined by their unwavering commitment to duty.

"Your entry into Civil Services is not the culmination of your journey of hard work and determination but is the beginning of that same journey."

– Amb. Shri T. S. Tirumurti, IFS (Retd.)
Former Permanent Representative of India to the United Nations

Ambassador Tirumurti's insight from the highest echelons of diplomacy is a core tenet of our mentorship. We teach that selection is not the final reward, but the first step in a lifetime of duty. This forward-looking approach moulds our students into resilient leaders, prepared for the demanding path of nation-building.

"Civil Service is not a job; it is a service. Civil Servants are supposed to serve the nation and the people and be the backbone of the socio-economic development of the country. They are the bridge between the people and the government"

– Dr. E. Balagurusamy
Former Vice Chancellor, Anna University; Former UPSC Board Member

As a former UPSC Board Member, Dr. Balagurusamy defines the very character the Commission seeks in an officer. "Our country needs Civil Servants who work tirelessly, for it is through their dedication that the State and the Nation grow."

– Hon'ble Dr.Tamilisai Soundararajan
