Objectives of the Course

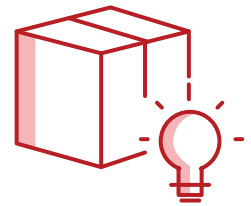

Methodology and rationale of the Sessions

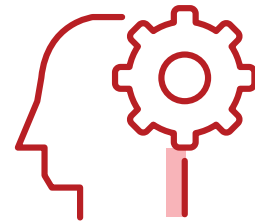

The main examination syllabus topics would be divided into easy, moderate and difficult category.

Unique LCT (Lecture, Curation and Test) strategy to materialise the objectives.

Difficult topics will be handled as teaching and notes dictation sessions – **Lecture session** – Increases the understanding in topics that are more complex and with limited resource materials.

Easy topics will be handled as test and discussion sessions – **Test session** – Helps in understanding expectations of evaluators and translating knowledge into scores.

Moderate topics will be handled as assignments, presentations and curation sessions – **Curation session** – Prepares the aspirants to think on lines of question setters and explore new topics.
