Offline Test Series Candidate - Sub-Registrar

Despite taking coaching in other institutes, I could not clear the TNPSC exams. Through one of my friend's reference, I had an opportunity to visit Shankar IAS Academy and attended the classes. It created much confidence for me because their test batch structure, way of organizing the test batch, discussion, etc helped me to find the correct track of approaching the exam which I missed in my previous training institutes. The test batch helped me to cover the syllabus including school books in a comprehensive manner. Within a year of joining Shankar IAS Academy, I have cleared the TNPSC Group II (OT) exam and got selected for Sub Register Post. I had chosen offline test series and I regularly took all tests despite many personal issues and whenever I miss the test, I used to take up the same at home. The explanations were well designed and it was so easy for me to understand and crack the examination despite of all odds. Thank you to SHANKAR IAS ACADEMY!!! And their faculty team.

Mr. Kaliraj

Regular Batch Candidate - Senior Inspector of Co-op Societies

Myself Karthik and Currently working in COOPERATIVE Department, Tamil Nadu as Senior inspector. The problem with civil services examinations is actually the competition. So the **right guidance** is the key. One can keep studying meaninglessly for years and may not be able to succeed in these exams. I was one who lost a year studying here and there. I joined **Shankar IAS academy** in 2017 for Group 1 exam but I failed to Crack the exam due to a few mistakes and in 2018 I appeared for Group 2 OT and cleared it in my **first attempt**. I totally stick with the preliminary test batch. I did not get the best scores in the beginning, and during the review meet I got opportunity to speak to Mr Sivabalan sir who insisted me to focus on core area of the subjects in which I was struggling and I consistently followed his instructions and started to focus on the syllabus given for test series. I cleared the prelims of Group 2 OT.

Mr. Karthik
