

## **PREFIT TEST SCHEDULE 2023 (BATCH I - JAN 18)**

### **INSTRUCTIONS:**

The schedule plan provided is provisional in nature and subject to modifications. If such changes are made, you will be notified of the same in advance through telegram.

- Pre Fit is a launching pad for you to kick start your prelims preparation and will supplement if and any test series you may join or have already joined.
- Access to the questions, solution and discussion is strictly conditional to your attendance of the test. i.e. if you don't attend a days test, you will not get access to any of the supporting documents of the day.
- Pre Fit tests will be followed by a detailed solution, and discussion on the same day.
- Pre Fit tests will be active from 7 AM- 9 AM for half test and 7 AM to 10 AM for Full Tests. The days test will be deactivated at 9 and 10 AM. You can start attempting your test anytime between 7 AM to 10 AM but the test will auto submit at 9 AM/ 10 AM i.e. if you start the test at 9:30 AM the test will auto submit at 10 AM.
- HALF TEST : 1 hour. FULL TEST : 2 hours
- We are including questions from current affairs and previous years UPSC papers. This will account for 20-30% of questions in a days test.
- If you have already enrolled in Shankar IAS Prestorming - you can use it in an overlapping manner with Pre Fit schedule or attempt them after completion of Pre Fit Schedule. However, you have to write Pre FIT tests on the same day and same time as it is not flexible.
- Pre Fit works best when you dedicate yourself to adherence of the schedule, ensure you complete daily syllabus, writing the test, come what may .
- The Tests will be held 6 days in a week - M, T, W, Th, F, S. Monday to Friday will be GS tests and Saturdays will have a CSAT exam
